

**REISSUE APPLICATION DECLARATION BY THE INVENTOR**

Docket Number: 6117CE

As a below named inventor, I hereby declare that:

My residence, post office address and citizenship are stated below next to my name.

I believe I am the original, first and sole inventor of the subject matter which is described and claimed in patent number 5,919,556, granted July 6, 1999, and for which a reissue patent is sought on the invention entitled Multiple Ply Tissue Paper, the specification of which

☒ is attached hereto.

☐ was filed on \_\_\_ as reissue application number \_\_\_  
and was amended on \_\_\_\_\_.  
(if applicable)

I have reviewed and understand the contents of the above identified specification, including the claims, as amended by any amendment referred to above.

I acknowledge the duty to disclose information which is material to patentability as defined in 37 CFR 1.56.

I verily believe the original patent to be wholly or partly inoperative or invalid, for the reasons described below.  
(Check all boxes that apply.)

☐ by reason of a defective specification or drawing.

☒ by reason of the patentee claiming more or less than he had the right to claim in the patent.

☐ by reason of other errors.

At least one error upon which reissue is based is described below. If the reissue is a broadening reissue, such must be stated with an explanation as to the nature of the broadening:

The original patent, 5,919,556, claims less than there was a right to claim in that it fails to include certain narrowing dependent claims.
